

**Enjoy an educational tour of the Iowa State Capitol
through the magic of the Iowa Communications Network (ICN)**

**The Iowa State Capitol
The business... The building... The beauty**

Iowa State Capitol Tour Guides will conduct an interactive "virtual" tour of the Capitol via the ICN for Iowa students grades 4, 5, and 6.

Students will explore the 118 year old building from the rough-cut stone sub-basement to the golden dome. During the tour, they'll be exposed to several different subjects giving them

- a brief introduction to the functions of the three branches of Iowa's government and a view of where each branch carries out it's work,
- a short lesson on the history of Iowa and it's Statehouse, and
- a chance to experience the classical architecture and original ornamentation of the Iowa State Capitol.

INCLUDED EDUCATIONAL MATERIALS

Teachers will receive a "Teacher Guide" that includes a curriculum based on the Iowa State Capitol as well as interactive worksheets, games, and puzzles.

COST

There is a fiber fee of \$12.20 per classroom. The fiber fee **will be** paid by the Iowa General Assembly. There may also be an additional \$12.50 room use fee charged by some schools, libraries, and National Guard facilities. The room use fee **will not** be paid by the Iowa General Assembly.

The Fall semester tour will be held Mondays, September 16, 2002 through December 9, 2002 and Tuesdays, October 8, 2002 through December 10, 2002. Capitol Tour Guides will host these interactive presentations and will be happy to answer students' questions using the ICN two-way link.
